RESPONSE AND AMENDMENT

Dear Mr. Poinvil;

The applicant sincerely thanks the Examiner for the Examiner's efforts in this matter.

Please amend the above referenced patent application as follows.

AMENDMENTS IN THE CLAIMS

Amendments to the claims are included in a separate paper. The amendments to the

claims exactly match a number of terms which the Examiner suggested in the First Office Action, in Paragraph 1.

It is believed that no new matter is presented in the amended claims.

5 Allowable Subject Matter, Paragraph 2 of the First Office Action

The Examiner has in the First Office Action identified subject matter of claims 1 through 12 as allowable if cleaned up to conform to suggested wordings. The change has therefore been incorporated into the claims as suggested.
